NEWSLETTER Friday 2nd February 2018

I have had a busy week working with lots of children, I love being able to get to spend time with children across the whole school, from Nursery right through to Year 6. This week we have been looking at 'setting goals' and how we can achieve them. As it is Careers Week next week we have been looking towards the future and what we would like to achieve, whether this is something big or small, a career or a personal goal. We have been learning about how we can manage our goals and how it is ok to have set backs or make mistakes; as it is how we deal with our mistakes that matter.

I have been talking with the children about how we manage and deal with our mistakes, in doing this we have been quite self reflective, myself included. We have considered situations where we might make mistakes, such as, in the classroom, or on the playground. The children have been able to talk about how they deal with the mistakes and through role play we have considered different ways to approach and deal with certain situations.

*We have had a few illnesses this week and there have been a few children off, I know we all get sick from time to time but we must always be striving to have our 'perfect attendance'. All the children know that when their class has got 100% attendance for the week, they get to colour in a letter from their 'perfect attendance' poster. Once all the letters are coloured in the class wins a super 'cinema/film' prize. Mr Hadwin's class were our last winners. Remember we have to be **IN to Win!!!***

Have a lovely weekend, Miss Baker (Learning Mentor)

Mrs Worthington has nominated Dale Wilson as her 'Explorer of the Week'. This is due to Dale's fantastic work and attitude towards his swimming and his outdoor learning work. Well done Dale, this is brilliant. Keep it up!

Our children in Early Years and Year 1 have been working so hard with their Read Write Inc. Learning. We are so proud of the progress that all children have made with their reading. Thank you to all parents/ carers for your continued support at home too.

HOUSE VALUES

Courage Trust
Ambition Respect

Next week is Careers Week and we will be learning a lot about Ambition, We want our children to be ambitious and have the opportunity to be able to thrive. We want to inspire our children and teach them about the clear pathways for their career progression.

Internet Safer Day Tuesday 6th February

See our website for lots of information about e-safety and check if your children are being safe online. How are they using their internet (ipads/ phones/ search engines)?? DO YOU KNOW??

Sports News

Year 4 have been our swimming for the last 2 weeks and Mrs Worthington's class have just finished their sessions, the children have shown great resilience and determination with their swimming and they have made a lot of progress during the week, look at the website for when the Knowsley swimming pools are open to <https://activeknowsley.com/Home/Centres>.

Our Year 4 girls football teams went to Kirkby High School on Wednesday to play, but unfortunately the hail stones got the better of us and the games had to be called off. A huge well done to the team though, as the hail stones were enormous and the team tried to continue regardless. WE admitted defeat and came back to school to get warmed up!

On Wednesday morning at 8am our 10 triathletes were in the swimming pool practising for their Triathlon in April. (Mr Dickinson & Mr Gardiner).
