Friday 26th January 2018

Welcome back to school, we have been back a few weeks and the children are really settled back into their classes. We have been very busy since we have been back, and this week lots of children have been showing us what they have been learning through their English and Maths tests.

The children have also been looking smart in their uniforms and also in their PE kits, but please remember to bring in outdoor PE kits as it is still chilly outside.

We are looking forward to our Careers Week, (Monday 5th February) this will be an exciting week for the children to learn about lots of different careers and job opportunities; we have a range of professionals within different areas such as the emergency services, health care and beauty (to name but a few). The children will be learning about how to train towards certain jobs and to think about 'what they would like to do when they grow up?'

Last week we had our special lunch in school, a big thank you to all children that stayed for £1 and to Anita and her staff for making a really tasty roast dinner.

Have a lovely weekend, Miss McLoughlin (Deputy/ Acting Headteacher)

Respect

Each week we celebrate our House Values and share the news of the team with the most House Points for that week.

Internet Safety Day Tuesday 6th February

See our website for lots of information about e-safety and check if your children are being safe online. How are they using their internet (ipads/ phones/ search engines)?? DO YOU KNOW??

Sports News

We are so proud of all of our children, we have been out most weeks taking part in a range of sporting activities. We entered Knowsley Swimming Gala last week and we gained good positions in all our races we had great participation.

Our football teams are going from strength to strength, our girls team are Knowsley Champions and they will be playing in the semi finals at Sheffield and we hope to win so that the team can play at Wembley. That will be a great achievement for the team!

On Wednesday afternoon our Y5 & Y6 girls development team played at Kirkby Leisure, they were under the guidance of Zara Shaw & Lottie Smith. All girls performed brilliantly and represented Malvern impeccably.
