*Thank you to all the parents that attended parents' meetings last week. It was lovely to see so many of you, and I think the hot tea and coffee went down a treat too; especially after the wintery and snowy start to the day. Luckily we didn't need to have a Snow Day. Please also ensure you let the school office aware if you change your mobile number. If we have to inform you of any important information we do this via text or our parentapp, therefore please keep your contact details up to date.
Thank you.*

HOUSE VALUES

Courage Trust
Ambition Respect

Our winning house so far is Ambition and they are well on there way to winning the end of term celebration. All children work very hard to gain house points, they do this through their excellent behaviour for learning and through being a wonderful friend and having super manners!

NURSERY 30 HOURS

Please ensure that you register with HMRC every 3 months to ensure that you still receive your entitlement for your 30 hours. This is parental responsibility to ensure that this is done every 3 months. If you do not register you may lose out!!

Sports News

On Wednesday morning at 8am our 10 triathletes were in the swimming pool again practising for their Triathlon in April. Mr Dickinson & Mr Gardiner are in the pool each Wednesday morning training the swimmers with stamina and resilience, the cross country training on Thursday was unfortunately cancelled due to the weather, but the will be out running very soon.

Our girls football team had an excellent victory and Friday, and we did not concede a goal. Our keeper took a hefty knock from a ball but continued to play all games and made some excellent saves.
