

Malvern Primary School

NEWSLETTER Friday 20th April 2018

Welcome back to our summer term and we hope that everyone has had a wonderful Easter break, with lots of fun and excitement and adventures (and maybe lots of chocolate too). It has been a busy week already with lots going on. Lots of children have been busy working in the allotments, we have had a swimming gala, lots of children have been showing off their reading skills with Read Write Inc, our Girls Football team have been to Goodison Park and some children have been invited to an official sporting press conference to see what it is really like for professional sports people and journalists and what they do. And on top of all that we have had children showing off their Maths skills in preparation for our Liverpool Counts Maths Assessment day next week—super work from our Maths Ambassadors too!

During our Monday morning assembly all children looked very smart in their uniforms and they were all very excited to be back in school with many looking forward to the new summer term and making the preparations for their transition to the next year group; and for Year 6 this is always a very busy and challenging term as they prepare to sit their SATs and then begin their transition to secondary school.

Enjoy the weekend, see you Monday. Miss E McLoughlin (Acting Headteacher).

Instagram (age: 13+)

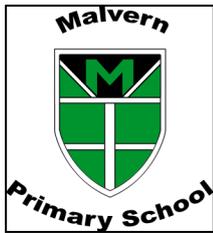

Instagram is a social networking site owned by Facebook that enables users to share photos and videos. Users are able to upload photos or videos from their mobile devices via an app and these can then be viewed either publically or privately depending on what a user has their profile set to.

Check your child's settings

When you sign up to Instagram, by default, anyone can view your profile and posts. **If you have a public account then anybody can see and comment on your photos and stories in the Search & Explore tab or hashtag page.** We would always recommend a user having a private account so only followers you approve can see your posts.

Our Online Safety newsletter is located on our website/ app under 'Safeguarding' and then under the 'safety' tab.

HOUSE VALUES Courage Trust Ambition Respect

Our Winning House for the Spring Term was Team Trust. We are looking forward to seeing which team will win the Summer Term.

Sports News

We are getting very close to our Triathlon date. The Sefton Community Triathlon returns on Sunday April 29th for 2018, to Crosby Leisure Centre. The event is open to both children and adults and it's the perfect event for novices, who want to experience their first ever triathlon event. The swim takes place in Crosby Leisure Centre swimming pool, the cycle course is on grass and the run course is out and back along the prom. It's going to be a fantastic day, with music, entertainment, stalls and other activities for the family. If you would like to come and join us to support our triathletes then please come along and meet us there. Every Wednesday morning at 8am our 10 triathletes are in the swimming pool practising and they have been out in all weathers cycling and running, we are very proud of their achievements. We cant wait for the event.
Mr Dickinson & Mr Gardiner.
