## NEWSLETTER Friday 29th June 2018

What a wonderful week it has been? The weather... Dare I say it? Has it been too Hot??? It is lovely having this sunshine but I know the children have found the heat a little tough, especially towards the end of the school day. Luckily we can look forward to lovely weekend of more sun, so get the BBQ on and the paddling pool out and have a fantastic weekend.

On Monday we celebrated our 10th year of Children's University, we graduated at Liverpool Hope University, and it was a wonderful ceremony. The children were brilliant, they made us all very proud and it was a pleasure to be able to hand out the certificates to all the graduates. We look forward to another fantastic year.

Our Year 6 children are out on their end of year trip today, they are inside for most of it so they will be nice and cool (cinema/ bowling/ arcades), they are sure to have lots of fun. Have a lovely weekend. Miss McLoughlin.

## HOUSE VALUES

**Courage Trust**  
**Ambition Respect**

At the Knowsley Education Awards on Wednesday evening, Malvern was nominated for the 'Most Inspiring Primary School' category. Unfortunately we didn't win but we were one of only 4 'Highly Commended' across the authority – this in itself is a fantastic achievement and we are all very proud (tinged with a bit of disappointment for the competitive ones amongst us!). It was a lovely celebratory evening and there was a huge amount of positivity and pride in the room around Knowsley education. We are so proud to be a part of it.

## Sports News

Year 4 boys football team played at Liverpool Academy and they made it to the final. We are so proud of them as it was such a hot afternoon; but they played brilliantly. Well done!

Our girls football team had their Sports Awards night on Thursday. A huge thank you to all the parents for coming, it was a great night. The girls did us all proud!!
