

# Mixing Colours Song

*(Sing to the tune of 'The Wheels on the Bus'.)*

Mixing colours red and blue,  
Red and blue, red and blue.  
Mixing colours red and blue,  
Purple is made.

Mixing blue with yellow now,  
Yellow now, yellow, now.  
Mixing blue with yellow now,  
Green is there, wow!

Mixing yellow now with red,  
Now with red, now with red.  
Mixing yellow now with red,  
Orange, orange, orange.
