

Pull the Turnip

(Sing to the tune of 'London's Burning'.)

Pull the turnip, pull the turnip,
Get more people, get more people.

Pull, pull! Pull, pull!

It's enormous, it's enormous.

Pull the turnip, pull the turnip,
Call the creatures, call the creatures.

Pull, pull! Pull, pull!

It's enormous, it's enormous.

Chop the turnip, chop the turnip,
For our dinner, for our dinner.

Yum, yum! Yum, yum!

Feed the village, feed the village.
