Welcome Back

Dear Parent / Guardian,

On behalf of the whole school community, I would like to extend a very warm welcome to you all – especially our new families joining Malvern for the first time. I cannot express how delighted colleagues were to welcome you back to school. Malvern is a community built on trust and I thank you for trusting our dedicated team to do their best to safeguard your child. We are all very much looking forward to the term ahead; supporting you and your child in all aspects of school life. Please do not hesitate to contact the school office if you have any queries or would like to discuss something.

Planners

Today your child received their academic planner which is an extremely valuable resource and essential for communication between school and home. At Malvern, we pride ourselves on providing your child with a unique school experience and the planner contains details of a variety of workshops, events and visits that were scheduled to take place this year. Unfortunately, due to the current measures in place, many of these events will be rearranged or cancelled. Whenever practicable, we will make alternative arrangements.

Meet the Teacher

At the start of every academic year, we host a series of meet the teacher events. At these events, we would usually invite parents into school to explore learning environments and meet your child's new teacher in person. Unfortunately, as I am sure you will understand, we will be unable to host these events in the same manner as previous years. However, we fully understand and value the strong parental support we receive and therefore will be hosting these events virtually. The details of each year group event will be uploaded to your child's class page on the school website. Your child's year group page can be found by visiting the school website www.malvernprimaryschool.co.uk and clicking on the pupil tab. A password to access the meeting will be sent out via Parent App on the day of the meeting.

Thank you for your support and understanding in these trying times. Despite the changes to routines and systems, our children have coped wonderfully with their return to school and are already thriving in their new learning environments. I continue to be awed by their resilience, tenacity and kindness. I look forward watching them learn and grow over the coming weeks and months.

Kind regards,

Mr James
Headteacher

Gold
