

Newsletter

Dear Malvern families,

I begin this communication by thanking you all for your continued support and compassion. I fully understand the demands of blended learning and balancing remote education with other commitments. Despite these challenges, our families continue to find ways to reach out and offer reassurance and praise. Whether celebrating the accomplishments of our pupils via Twitter, sharing words of encouragement with teaching staff or reaching out with kind gestures, your kindness is very much appreciated. Steering our school community through difficult times in uncharted waters was never going to be easy. However, the support of our families provides motivation to us all.

I wish you a restful half-term.

Kind regards,

Mr James

#MalvernInvestigates

We saw a fantastic response to #MalvernInvestigates! It has been wonderful to see pupils from all year groups in school working scientifically. Scientists made predictions, formed hypotheses and used a variety of apparatus to experiment and investigate. Special thanks go to Mr. Hadwin organising such a fantastic week of science!

@malvernprimary this is our experiment after being left overnight. Thank you Mr Hadwin, it's great to show colour mixing as well as capillary action.

1 13

Its been a fantastic week of science experiments at @malvernprimary Cole now wants to be a scientist when he grows up 🤖 Yesterday was the 'best day ever' doing lots of cool stuff! Please could we keep this going as we are really enjoying Mr Hadwin's experiments.

TIMES TABLES ROCKSTARS

It has been wonderful to see our community come together and rise to a challenge. Only a week ago, we were in position 27 in the Times Table Rockstar league. This league is made up of other local primary schools. Not surprisingly, our pupils thought this could improve and many students have been practising daily. I am pleased to inform you that we are now in seventh position. This is a massive improvement but I am hopeful that Malvern will take pole position in the not too distant future. As a result of their commitment to learning multiplication tables, many children have achieved special status.

Rock Star Status: This means a child can answer 20 questions accurately in 1 minute
(playing in studio mode)

Rock Legend Status: This means a child can answer 30 questions accurately in 1 minute (playing in studio mode)

Rock Hero Status: This means a child can answer 60 questions accurately in 1 minute
(playing in studio mode)

Each child was awarded a prestigious badge, in recognition of their accomplishment.

Below are just some of their proud faces.

A special mention goes to Zach Day in year five. Through perseverance and tenacity, Zach was the first pupil to achieve Rock Hero status at Malvern. We are all very proud of this accomplishment!

#BeKind  

Staff Shout Out

STAFF Shout Out

Thank you Paul for all your help preparing for the Trainee-Teacher Mentoring! ☺

Thank you Natalie for covering my class! ♥

Thank you Tony + Nat for stirring up so much positive competition for TTR! The children are loving it!

Thank you Stacey + Carol for securing funding for our outdoors.

Thank you everyone that stands in the rain before/after school to welcome the children! ☁

Thanks to Lorna for transforming the Staff room.

Thank you Paul for always being a source of amazing books! 📖

Thanks Danielle for the beautiful displays you have produced! ☺ We are very fortunate to have you!

Thank you Heather for your wonderfully kind and cheerful disposition!

How it works:

1. Think of someone who has **BRIGHTENED** your day...
2. Add your **'shout out'** to the board...
3. At the end of each week, the board is cleaned to start again!

Seek the sun, even on cloudy days

#100Moore

It has been wonderful to see the many ways our community have chosen to express themselves for #100Moore.

We will continue to celebrate the life and accomplishments of Captain Sir Tom Moore throughout the half term holiday.

We welcome families to join us!

Thank You

Special thanks to Miss Carr, who has supported our year one bubble throughout lockdown. As a former Malvern pupil, we knew to expect great things.

On a daily basis, Miss Carr has gone above and beyond our expectations and served our school community with distinction.

Although her time with school officially ends today, I am certain we will see her again in the not too distant future.
