

Newsletter

As you may be aware, next week is Red Nose Day and, as a community, we would like to support this fantastic charity. Therefore, we will be take part in a national competition to raise funds for Comic Relief via Times Tables Rockstars (Please see page three of this newsletter for further details). To celebrate and raise awareness, pupils are invited to come to school on Friday 19th March 2021 either wearing their own clothes OR dressed as their Times Table Rockstar avatar. We would encourage pupils to be as creative as possible. If you wish to make an additional donation to the charity, you can do this via:

Have a restful and relaxing weekend.

Yours sincerely,

Mr James

Pride of Malvern

We are immensely proud of Amy and Anabelle for their kindness. At Malvern, we celebrate those who seek ways to help others. I'm certain you'll agree that both pupils are fantastic role models to all within our community.

Name: Amy

Cause: Pancreatic Cancer

Why did you decide to help?

I decided I wanted to help because a relative in my family experienced pancreatic cancer.

What did you do to raise funds?

Me, my mum and my dog (Louie) ran one mile every single day throughout the month of February. The first few days were easy but, when the weather became wet and cold, it got harder. I persevered because I knew I was raising funds for a charity that was important to me and my family.

How can people support the charity?

Visit and donate at: <https://www.pancreaticcancer.org.uk>

How much money did you raise in total for the charity?

£410

Name: Anabelle

Cause: Little Princess Trust

Why did you decide to help?

I decided to help because I like the thought of how much happier it could make somebody feel. I like the idea of making someone feel better.

What will you do to raise funds?

I will donate most of my hair to help a child who is experiencing cancer, or another illness that results in hair loss. My hair will be used to create a wig (maybe even two!) to help restore confidence and a sense of identity

How much money have you raised total for the charity so far?

What do you get when you cross lockdown ending with Comic Relief?

A: **Rock Down Relief UK!**

To mark the awesome date that is 12th March 2021 (12-3-21, which reads the same forward as backwards) and to make maths exciting and high profile in our school, we are holding a Battle of the Bands (an in-school times tables competition) in aid of Red Nose Day. It is part of a UK-wide Rock Down Relief event run by Times Tables Rock Stars and will be the biggest times tables event in the country ever!

Starting on Friday 12th March and ending on Thursday 18th March 2021, the whole competition is done online via play.ttrockstars.com or the TT Rock Stars app. For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school will be the ones with the highest average. There will be many exciting prizes up for grabs to be sure to log on over the weekend and start collecting coins!

All game modes (Gig, Garage, Jamming, Studio, etc.) will count but only from games played between 9.30am and 3pm on Friday 12th to Thursday 18th inclusive.

Red Nose Purchase-A-Thon

If you save up your TTRS coins to purchase one of the virtual red noses for your TTRS avatar, 5p will be donated to Comic Relief. Remember, it's your *virtual* TTRS coins (not real money) and you get a virtual red nose (not a real one)! Nonetheless, we know you've worked hard for those coins, and we are certain that we will be able to use our times table knowledge to make a significant contribution to Comic Relief.

Red noses are available in the avatar shop for 1 month, starting on 12th March 2021, and will cost at least 50,000 coins. Get saving to get spending!

#In2Win

With this week marking the return to school for all children, we are delighted to report that the extended winter break is now over and we can return to our highly competitive #In2Win Attendance League. As you may expect, this week was incredibly competitive with lots of teams picking up the maximum of 5 points due to having 100% attendance. With fixtures coming thick and fast, we anticipate there will be plenty of twists and turns before the end of the league season. Good luck to everyone!
