

Newsletter

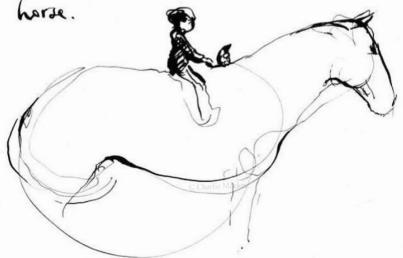

It has been wonderful to welcome our families back into school this week. I hope that all members of our community managed to find some time to relax and unwind during the Easter break. This term we have so much to feel excited about. Most notably, we have our first, annual Malfest to celebrate. This will take place on Saturday 10th July and will certainly be a day to remember. If you haven't already, book this date into your diary and watch this space for further details.

Kind regards,

Mr James

"We have a long way to go" sighed the boy.
"Yes but look how far we have come" said the horse.

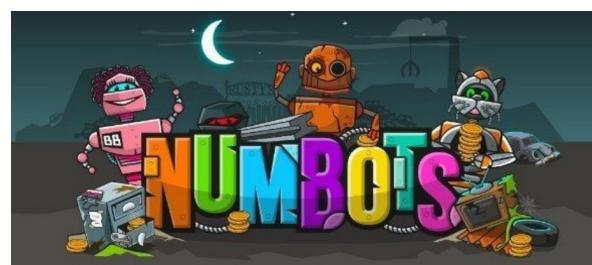

E-Safety Workshops

This Wednesday, pupils in Key Stage 2 had the opportunity to work with Altru Drama. Learners were able to identify online dangers and explore strategies to deal with problems when they arise. Learners developed their own role plays, considering scenarios they may encounter online and how different dangers could be resolved.

LFC Workshops

This week, pupils in both Year 5 and Year 3 worked collaboratively with Liverpool Football Club's Community Foundation. Learners developed their agility and teamwork and were responsible for creating rules of fair play for their own game. As always, pupils worked with stamina and enthusiasm and were able to take ownership of their learning, understanding their own unique successes and areas for development. We look forward to deepening our relationship with LFC over future weeks and months.

Well done to our fantastic mathematicians for earning their Numbots badges! These badges are awarded to children who complete the gold, platinum and diamond level of the game. We are incredibly proud of all of you!

Y6 visit to Crosby Hall Educational Trust

CHEY is a magical place where nature meets nurture, allowing children to experience enriching outdoor activities in a safe and stimulating environment. Today, pupils in Year 6 six have enjoyed an extended day trip to the centre. Throughout the day, pupils have experienced a wide range of outdoor pursuits including archery, fencing, high-ropes, an assault course , night line and orienteering. I'm certain you'll agree it looks like great fun!
