

Newsletter

It has been a pleasure to further deepen our community connection over recent weeks as we forge relationships with outside agencies for the benefit of our pupils. I am proud to report that we are now affiliated with Liverpool Football Club Foundation, Malvern Shotokan Karate Club, Whitefield Cricket Club, Lancashire Cricket Club and Portico Vine Rugby League Club. Through these community links, we hope to broaden the opportunities accessed by our young people. For further details on how to get involved, please visit our school Twitter page for updates. Special thanks to Mr Phillips, our sport and PE champion, for his continued commitment to our young people and his work on developing these links.

I wish you a restful and relaxing weekend in the sunshine.

Kind regards,

Mr James

CLASSROOM CHALLENGE

Pupils are encouraged to take part in this fantastic competition to design a football. The winning entry will receive a £3000 prize for school and a £50 individual prize and a football shirt. We hope to see as many of our pupils taking part as possible. Please follow our school Twitter page for further guidance and updates.

Road Safety– Competition Time

Maintaining the safety of our community when entering and leaving school is a primary concern for student representatives, governors and school leaders. In order to discourage dangerous and inconsiderate parking around our school site, pupils are invited to take part in a competition to design an eye catching, bold and informative poster promoting road safety. The winning designs will be made into large banners and attached to our school gates as a permanent reminder to our community of our commitment to safety.

A FOOTBALL SHIRT OF YOUR CHOICE FOR THE WINNING DESIGN!

DESIGN A FOOTBALL COMPETITION!

To enter this competition, simply design a colourful football in the space provided.

Your ball could be for a school team, a national or world championships, or even just to show your favourite things. Hand this sheet back to your teacher to enter!

SHOW YOU CARE, PARK ELSEWHERE!

Put child safety before your convenience.

Bikeability

Pupils in year six have benefitted from undertaking Bikeability training sessions this week. The purpose of this training is to ensure that pupils gain the practical skills and understanding required to cycle on today's roads.

Pride of Malvern

We were incredibly proud to receive a report into school regarding the conscientious behaviour of one of our pupils this week. Lewis, in Year 6, approached Cllr Graham Morgan, Cllr Christine Bannon, Cllr Colin Dever and a group of residents busily completing a clean-up close to the Roby Pub. After offering his assistance, Lewis was also able to share his ambitions for improving the local environment further. We are very proud of you, Lewis.

Year Six Student Representative Picnic

It was a pleasure to reward our Student Representatives with a picnic in the sunshine this week. I must say, it was a delight to listen to their conversations. Pupils were able to articulate their own ambitions, as well as their ambitions for our school and local community.

Student Representatives

We are incredibly proud of our Student Representatives at Malvern. After a long wait, we were delighted to present our Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl with their prestigious blazers. At every opportunity, our representatives champion the values we wish to nurture in our community. I'm certain you'll agree that they are excellent role models to younger pupils.

Well done to all of our pupils who have achieved Rock Star, Rock Legend and Rock Hero status this week in school. We are incredibly proud of you all!
