It always brings me great pride to hear about the exciting things our pupils enjoy when not in school. This week, Daniel proudly shared his trophy for being player of the week at football. Well done, Daniel!

I think I speak for everyone when I say how proud we are of Ellouise in year four. Ellouise completed the Race for Life 5k for Cancer Research UK. Together with her family, Ellouise raised over £200 for the charity. What a fantastic accomplishment that is!

Have a wonderful Bank Holiday weekend and I look forward to seeing you on **Tuesday!**

Kind regards,

Mr James

## NSPCC Rocks Competition

As part of our commitment to make maths exciting and high profile in school, we are taking part in a friendly competition involving schools around the UK for NSPCC Number Day on Friday the 7th May. It's all done online via [play.ttrockstars.com](http://play.ttrockstars.com).

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

Winners will be announced the following Friday, 14<sup>th</sup> May.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 8AM and 8PM on Friday the 7<sup>th</sup> of May.

Good luck!

**NSPCC ROCKS**

IT'S MATHS, BUT NOT AS YOU KNOW IT!

**SHOW YOU CARE, PARK ELSEWHERE!**

**Put child safety before your convenience.**

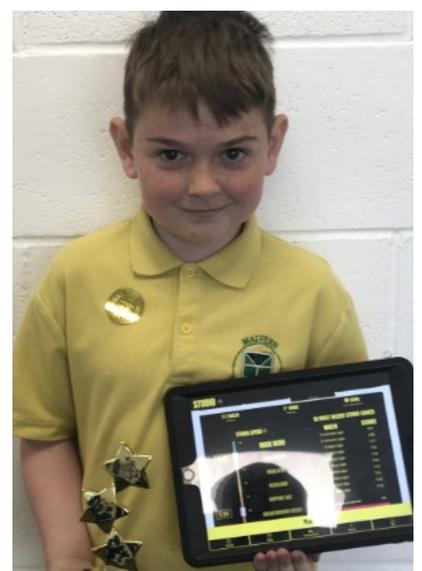

Well done to all of our pupils who have achieved Rock Star, Rock Legend and Rock Hero status this week in school. We are incredibly proud of you all!

### Malvern #100Club

It brings me immense pride to report that, due to the exceptional performance of our outstanding mathematicians, we are now in the position to launch our own, Malvern specific, TTRS award. This prestigious award is presented to learners who are able to answer 100 multiplication and division calculations correctly in 60 seconds. In recognition of this remarkable achievement, pupils are presented with their own TTRS #100Club trophy. I'd say that their beaming smiles reflect just how proud they are!

## #In2Win

With only two matches remaining of our #IN2WIN Attendance League everything is still to play for. The Spider Webbers have maintained their place at the top of the league but are now level on points with The Pyneapples, with only 0.3% between each class. Resilient Reception 1 are ready to take on all competitors and now find themselves in the top four with former league leaders O'Brien's Lions slipping down to fifth place. It is clear with two matches to go everything is still to play for.

### Current League Standings

### **Attendees of the Week**

We are so proud to announce that we have three Attendees of the Week this week. All three winners, James, Tia and Mason, have shown fantastic resilience over recent weeks and fully understand the importance of attending school each and everyday.

Well done!
