It is lovely to chat with families as they arrive at school for pick-up and drop-off. In recent weeks, I have noticed an increasing number of adults attempting to enter the school site with a dog. May I remind families that dogs should not be brought onto school premises at any time. This includes when on a lead or being carried. There are a number of children who are fearful of dogs at Malvern and their welfare is of paramount importance. Unfortunately, we have also experienced instances of dog fouling on school premises. I appreciate your support and understanding.

May I also remind families that scooters and bikes should not be ridden on the playground and courtyard and I politely request that cyclists dismount before entering the school gates. This is to ensure the safety and welfare of all within our community.

I wish you a restful and relaxing weekend.

Kind regards,

Mr James

Competition closes at 8pm tonight

Winners will be announced on
Friday, 14th May

Well done to Lucas and James in year two. Both boys have worked incredibly hard to earn their Numbots badges.

Well done to all of our pupils who have achieved Rock Star, Rock Legend and Rock Hero status this week in school. We are incredibly proud of you all!

Malvern #100Club

Well done to the newest members of the Malvern #100Club. To qualify, mathematicians must be able to answer 100 multiplication and division calculations accurately in studio mode of Timestables Rockstars. We are incredibly proud of you accomplishment.

Y1 Scientists

It was wonderful to work alongside our year one scientists this week as they investigated waterproof and absorbent materials. Learners were able to make predictions and use evidence to justify their thinking. I was particularly impressed by how clearly pupils were able to articulate their understanding and use scientific vocabulary. Well done, year one!

Tension is building as our Attendance League builds to a frantic climax. With just one game to go there is still plenty to play for. The Spider Webbers, who have led from the front for the most of the season, will certainly look to hold on to their lead but with a number of other classes still in contention anything can happen. I am certain that both The Pyneapples and The Bulmer Bears will head into the last match of the season in high spirits hoping to take top spot. Good luck to everyone!

Attendee of the Week

We are very proud to announce that Molly has been selected as our Attendee of the Week. Even though Molly has a broken bone in her foot, she attends school everyday with a huge smile on her face. She has worked hard to engage with learning and has maintained her fantastic sense of humour.

Well done Molly!
