Healthy Snacks

Last academic year, members of our School Council wrote a letter to all children and parents regarding the type of snacks being eaten at playtime. The letter followed a meeting with our School Governors and explained that any unhealthy snacks would not be allowed at playtime. The School Council now feel that this issue needs revisiting. With the support of Miss Brown, School Council will be hosting a class meeting to reaffirm our school expectations. Please see the adjacent table when choosing appropriate snacks for playtime. We thank our community for keeping our school a healthy place.

Spotlight On: Community Action

We are incredibly grateful for the support of our local Councillor Colin Dever for leading a team of volunteers in a week of community action. Our appreciation cannot be underestimated. Classrooms were painted, essential repairs undertaken and upgrades made to doors and windows. In addition, huge improvements were made to the school grounds. We understand that Malvern are not the only organisation to benefit from this week of action and we are hugely appreciative of the commitment of Colin and fellow Swanside and Roby Councillors for their commitment to our local community. Thanks must also be extended to Knowsley Council, SPIE UK, CCC Skip Hire, Livv Housing, Winvic Construction, Fusion 21, Wolseley Building Merchants and SSE electricals. As we say at Malvern, we truly are [#TogetherStronger](#)

ATTENDANCE MATTERS

every school day counts.

Well done to all of our pupils who were appointed as attendance captains last week. We are really looking forward to our whole school attendance league starting next week!

Mrs. Webbers Musician of the week...

This week, Maisie really shone, both for her confident music skills and her amazing attitude. She showed super listening and used the instruments with care.

Well done, Maisie!

Random Acts of KINDNESS

Last week, our award winner was Ben Rush in Year 6. Ben was nominated by his friend, Henry. Henry noticed Ben being incredibly kind to another boy in Year 6 at lunch time and felt that his act of kindness deserved recognition.

We are incredibly proud of you, Ben!
