

Newsletter

Dear Malvern Families,

It has been an absolute delight to welcome our children, colleagues and families back to school this week. The children look wonderful in their new school uniform and are already settling back into school routines. As always, behaviour around school has been exemplary and it has been wonderful to see pupils moving freely around school and enjoying lunch alongside their peers in the dinner hall. As we return to normality, our children continue to astound me with their adaptability and resilience.

For families new to Malvern, we publish our newsletter weekly via our school app and our Twitter social media platform. If you don't have the school app, or are having any technical issues accessing, it please contact the school office who will happy to help. I would strongly urge all families to follow our school Twitter page as this is our primary platform for sharing good news and celebrating excellent work. To follow school simply search for [@malvernprimary](https://twitter.com/malvernprimary).

As always, if you have any queries at all please contact the school office and we will do our very best to support you.

Take care and have a great weekend!

Kind regards,

Mr James

Attendance

Attendance at school remains a priority for the coming academic year. This afternoon, we launched our attendance league - [#In2Win](https://twitter.com/malvernprimary) - with a whole school assembly. I am hoping that the fantastic rewards and healthy competition will provide the motivation for all pupils at Malvern to maintain excellent attendance as this is a huge driver in school improvement.

Parking

We fully appreciate that parking around school can be very difficult at times. Wherever possible, we urge families to walk to school as this promotes wellbeing. If this is not possible, we ask that drivers are mindful of local residents and do not obstruct driveways. Please park carefully and considerately and in a manner that does not pose a risk to our pupils.

Meet The Teacher

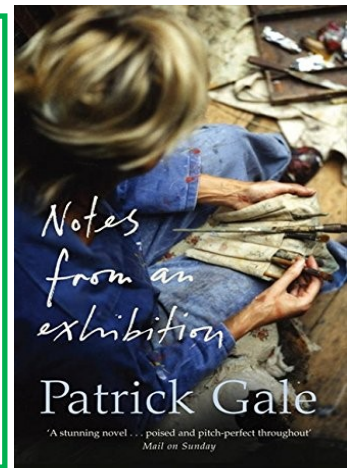

Over the next two weeks, meet the teacher events will be held in the school hall for year groups 1 - 6. These sessions will be a fantastic opportunity to meet your child's teacher and ask any questions you may have about the coming year. Details, including times and dates, have been sent home on a separate letter. If you require any further information, please speak to your child's class teacher in the first instance.

Malvern Community Book Club

Mums, dads, nans and grandads are welcome to join the Malvern Community Book Club. This is a very informal, social gathering that meets on the first Thursday of each month.

The book club's next meeting will take place at 7:30pm on Thursday 7th October in the Bowring Park Pub. Our book for September is Patrick Gale's 'Notes from an Exhibition'.

Please talk to Mr. Kynaston if you're interested or would like a little bit more information.

Breakfast Club

School breakfast club is open and available to support families from 7:30am every morning. Places are open for children from reception to year six.

The cost of a place at breakfast club is £3 per session.

Uniform Reminder

May I remind families that, due to limited space available in classrooms, we are unable to accommodate large backpacks. Black, sensible footwear should also be worn for school.

Karate Club @ Malvern

This year, we are pleased to report that all reception pupils at Malvern will receive a year of karate tuition, within school, as part of our curriculum offer. As part of our determination to provide a broad and varied range of extra-curricular opportunities for our pupils, our school will also host weekly karate sessions after school. These clubs are open to pupils in all year groups at school and I am certain that there will be many pupils eager to take part.
