

# Newsletter

Dear Malvern Families,

It is with regret that I write to you with the following information. Cases in our City Region of the Delta variant of Covid-19 are increasing and spreading rapidly in our borough. The current level of Covid-19 cases in Knowsley is 86.8 per 100,000 people. The local case rate is expected to exceed 100 per 100,000 people by the end of this week, with numbers doubling roughly every seven days. Just two weeks ago, the case level in Knowsley was 22.5 per 100,000 people.

As a result, school has received firm guidance from the Knowsley Outbreak Management Board to make adaptations and changes to current plans for the end of term. Unfortunately, this means that a number of events, planned to go ahead in coming weeks, are now cancelled. At the moment, these events include:

## Next Week

Monday	Tuesday	Wednesday	Thursday	Friday
Y4 trip to Court Hey Park Y6 trip to Crosby cinema and beach Y4 Swimming	Y5 Everton Football Festival Y4 Swimming	Y4 Swimming	Y5 / Y6 Bikeability Y4 Swimming	Y2 Asda Visit EYFS Stay and Play Y5 / Y6 Bikeability

I would strongly urge families to ensure that they have access to our ParentApp and follow us on Twitter [@malvernprimary](https://twitter.com/malvernprimary). These will be our primary means of communicating any future changes with families. We will continue to respond dynamically to risk assessments. Please trust that, wherever possible and when it is safe to do so, we will proceed with plans as anticipated.

Kind regards,

Tony James

**Headteacher**

## Pop-up Panto

Children in year four enjoyed a pantomime rendition of Cinderella. It was wonderful to see pupils engaging enthusiastically with the performance. Our thanks to Life In Theatre Productions LTD for a wonderful experience.

## The Show Must Go On

On Tuesday 18th May, members of our Y5 Drama and Theatre Club visited Liverpool's Bomed-Out Church to see **The Show Must Go On**. Written by the creative team behind the hugely popular Liverpool Everyman Rock 'n' Roll panto, the show was a joyful and swashbuckling stage spectacular. Our Y5 children had an amazing time and were excellent Malvern ambassadors.

## In 2 Win Attendance League Winners

Last Friday, our In 2 Win Champions enjoyed the spoils of victory. It was fantastic to see so many pupils having a wonderful time supporting each other to overcome inflatable obstacles. It certainly got pupils excited! I wonder what prizes are in store for our winning teams next year? Remember, you need to be In 2 Win!

**In 2  
Win It!**

## Dare 2 Be Week @ Malvern Primary School

Throughout Dare To Be week, children across school have had the opportunity to explore their future career choices. Pupils considered the skills and qualifications needed for their chosen role. Children have shared their ambitions with each other, discussing their aspirations for the future. To end our week, it has been wonderful to welcome pupils to school dressed appropriately for their chosen occupation.

## ADAM Foundation

On Thursday, year six received a visit from the ADAM Foundation to talk about the dangers of knife crime. The organisation was set up following the tragic death of Adam Ellison in Prescott in November 2017. ADAM Foundation provide education to school aged pupils to support learners in avoiding knife crime, making good decisions and knowing who to ask for help.

As always, Malvern pupils listened carefully and made thoughtful contributions to the session. I am certain that this learning will resonate and hold meaning as our pupils move onto the next stage in their education.

Thank you to the ADAM foundation for bringing their important message to Malvern. We look forward to working in partnership in future to help make our community safer for all who live in it.

## National Sport Week: The Quidditch Cup

Monday 21st June is the start of a national week celebrating sport. In order to launch the week long event, pupils at Malvern have enjoyed partaking in a Quidditch Cup today. Using the sorting hat to establish teams, pupils were grouped into houses before competing in a number of matches. All competitors played with enthusiasm and it was great to see pupils of all sporting abilities having great fun being active. I'm certain you'll agree it looks fantastic!
