## National Sport Week

*After a year in which young people have missed out on so much and had their worlds turned upside down, sport and physical activity play an essential role in their recovery. National School Sport Week 2021 celebrates the return of youth sport and its power to bring children together. Indeed, the theme of this year's campaign is Together Again.*

At Malvern, pupils have enjoyed a fantastic week of sport. It has been excellent to see all pupils rising to challenge, persevering, being active and having fun.

Next week, we plan to host a series of Sports' Day events in school. Unfortunately, we are unable to welcome families into school to spectate this year due to our ongoing Covid-19 risk assessment. Instead, we plan to create a compilation video to share with families and teachers will share updates and photographs via Seesaw and Tapestry.

We ask that, on the designated day, pupils attend school wearing their PE kit. The dates for each Sports' Day is listed below:

EYFS	30th June
Key Stage One	29th June
Year 3 / Year 4	1st July
Year 5 / Year 6	2nd July
