It's beginning to look a lot like Christmas! 

The elves have once again arrived at Malvern and have been incredibly busy preparing our school for the festive season. Teachers are busy preparing beautiful classroom environments and our foyer and school hall are now beautifully adorned with decorations. Special thanks to Mrs Mylett, Mrs Thorpe, Mrs Clarke and Mrs Taylor and Mr Taylor for decorating our spectacular trees so splendidly.

At Malvern, we love to celebrate Christmas and strive to ensure that the festive season is special for our community. This year, our school diary is bursting with seasonal events and I extend a warm welcome to all within our community. Please see below the activities we have planned

Saturday 4th December (12.00 - 4.00pm)	-	Swanside Christmas Fair
Saturday 4th December (1.00pm)	-	Choir Christmas Performance at Court Hey Park
Monday 6th December (3.30 - 6.00pm)	-	Christmas Cinema Experience
Tuesday 7th December (3.30 - 6.00pm)	-	Christmas Cinema Experience
Wednesday 8th December (3.30 - 6.00pm)	-	Christmas Cinema Experience
Thursday 9th December (7.00pm)	-	Festive Bingo (Adults Only)
Friday 10th December	-	Christmas Jumper Day

To end an action packed week of festive fun, all children will take part in an exciting Santa Dash run on Friday whilst wearing their Christmas jumpers to raise awareness for the Save The Children charity. Save the Children support children nationally and internationally, through a range of initiatives including education based support and addressing poverty both within the UK and abroad. At Malvern, we want to support the wonderful work of this charity. Therefore, we encourage children and staff to come to school wearing a Christmas jumper on Friday 10th December. Donations can be made directly to the charity via their website, which can be found at <https://www.savethechildren.org.uk/>

Following Christmas Jumper Day, all children are welcome to wear their jumpers for the remainder of term as our festivities continue.

I wish you a restful and relaxing weekend.

Yours Sincerely,

Mr James

Headteacher

Malvern Green Machine

As part of our recently formed Eco-committee (Malvern Green Machine) we have been investigating different ways that we can make Malvern a more sustainable and eco friendly school, as well as supporting the local community. One way the children decided they could help was by creating a system where school uniforms could gain a new lease of life. All over the world, unwanted clothing is a real problem. Many garments cannot be recycled, so end up in landfill causing ecological issues for wildlife and communities. Below is an image of textile mountain which demonstrates the environmental cost of unwanted clothing. As a school we want to make a difference and stop unwanted clothing going to landfill.

For further information please visit: <https://www.textilemountainfilm.com/>

Currently, we have a large amount of school clothing that is ready to be reused rather than thrown out. On the 17th December, from 3.10PM, we are going to hold our first Sustainable Swap Shop (SSS). On the courtyard, you will be able to come and see what items we have on offer. You can take whatever you need or think someone else may benefit from.

If you are unable to attend then please do not worry, you can contact us through these channels:

Email: greenmachine@malvernprimaryschool.co.uk

Facebook: [@prelovedmalvern](https://www.facebook.com/prelovedmalvern)

Please feel free to contact us and advise what you are looking for. We will then see if we have it in stock and arrange getting this to you. We hope you will be able to help us on our journey to become a greener, more sustainable school.

Cross Country Success

Last Saturday morning, children from Malvern battled against the awful weather conditions and represented Knowsley in the Mersey Cross Country Championships at Sefton Park. It was wonderful to see our children competing at such a high standard and representing their borough with distinction.

#BeKind  

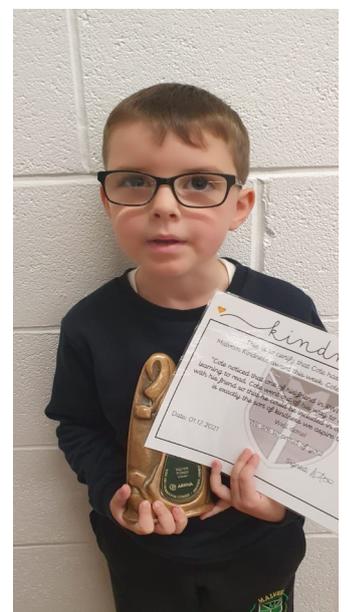

Star of the Week

Mrs. Webber's Musicians of the Week..

Abbie always shows incredible perseverance in our keyboard lessons, and practises at home. She was incredibly brave in choir, singing a solo to a live audience, and did a fantastic performance of 'Silent Night' on the glockenspiel in our music lesson!

Brilliant work, Abbie!

Random Acts of KINDNESS

Our Kindness Award winner this week is Cole from Year 1. Cole is always exceptionally kind and during a RWI session noticed one of his friends required support with learning to read. In order to help his friend, Cole went out of his way to devise a system to ensure that his friend was included in the sessions. This is exactly the kindness we aspire to at Malvern. We are very proud to say that you belong to Malvern, Cole.

TTRS Champions

Well done to all of our pupils who have achieved Rock Star, Rock Legend and Rock Hero status this week in school. We are incredibly proud of you all.

Malvern #100Club

Meet the newest members of our Malvern #100Club. This prestigious award is presented to learners who are able to answer 100 multiplication and division calculations correctly in 60 seconds. In recognition of this remarkable achievement, pupils are presented with their own TTRS #100Club trophy.
