Tuesday 8th February is Safer Internet Day and to mark this important event we will be hosting a parental workshop in the school hall at **2.45pm**. The workshop will guide families in understanding how they can support their child in staying safe online. Refreshments will be available and all attendees will receive a raffle ticket entering them in a prize draw where there is a chance to win an exciting prize!

For further information and guidance regarding online safety please visit the parent section on our website:

I wish you a restful and relaxing weekend.

Kind regards,

Mr James

Headteacher

Safer Internet Day 2022 | **Tuesday 8 February**

Coordinated by the UK Safer Internet Centre

We Need Your Help!

As a school, we have an unwavering ambition to provide our children with access to a rich and diverse curriculum. This is underpinned by The Protected Characteristics as outlined in The Equality Act 2010. To support us in enriching our offer, we would greatly appreciate it if you could complete this short survey. The feedback from the survey will allow us to continue to ensure that pupils at Malvern continue to leave us the very best version of themselves.

Altru Drama - Tangled Web Performance

On Monday, children in Key Stage 2 enjoyed a fantastic performance by Altru Drama and Theatre group. The session began with a whole school performance focusing on internet safety. This was followed by a series of workshops designed to explore different scenarios pupils may encounter when online and different strategies that they can use to remain safe.

Junior Bake Off

Junior Bake Off is a Channel 4 programme that celebrates the culinary talent and ambition of the younger generation in Britain. As a school, we have been contacted and asked to encourage our pupils to take part in this exciting opportunity and it would be fantastic to see Malvern children putting their baking skills to the test.

ROCKS

#MalvernRocks

It has been fantastic to see Malvern children arriving at school rocking their number outfits today. Pupils have worked incredibly hard throughout the day to earn points in the national NSPCC Rocks competition. Winners will be announced next week during assembly. I am hopeful that we will improve on last year's position and finish within the top ten schools nationally for our multiplication mastery.

Come on Malvern - I know you can do it!

TTRS Champions

Well done to all of our pupils who have achieved Rock Star, Rock Legend and Rock Hero status this week in school!

Star of the Week

Mrs. Webber's Musicians of the Week...

Connie is such an amazing ambassador for music, both in class and at choir. She always tries her best, and her beautiful singing and super creativity enhance any music session.

Well done, Connie!

Random Acts of KINDNESS

This week, our Kindness Award winner is Darley in Year 1.

Darley was nominated for our Malvern Kindness Award because she is always kind to other children. Darley is especially kind to others at lunchtime and will go out of her way to help her classmates find a friend to play with.

Well done, Darley—we are so proud of you!

Attendee of the Week

Our Attendee of the Week for the week is Holly from Year 4.

This week, Holly arrived at school with an injury to her eye. Holly was adamant she was going to receive her morning mark before heading off for treatment. As soon as Holly's appointment was over, she returned to school with a smile on her and a spring in her step despite her injury.

Holly fully understands the importance of good attendance and we are extremely proud of her.
