What a fantastic half-term is has been at Malvern! We've achieved sporting success in many competitions, indulged our inner thespians in theatre trips and hosted a number of successful parent workshops—not to mention the many visits and visitors enjoyed by pupils. It really has been an action packed start to the New Year!

As school closes today to our children for a well earned holiday, multiple construction projects begin. One project I am sure you will be delighted to learn about is the repair work being undertaken to the school roof and surrounding gutters. As I am certain you are all aware, the gutters around school leak on a regular basis and can cause issues of flooding in wet weather. However, with the support of Knowsley Council, and working in partnership with Sterling Services, we hope that this long standing issue can be resolved. To complete this considerable project, work will be undertaken on site which will require some changes to access to the school grounds and some classrooms. When these changes are needed, we will provide further information as soon as practicable.

Have a wonderful break!

Mr James

## Holiday Provision

Holiday club provision (for February half-term) will now run **under school control** and will be led by dedicated colleagues at Malvern. If you wish to book a place at our Malvern Holiday Club, you can do so via the Parent Pay App. You are able to make these bookings immediately and I would request that any bookings are confirmed at the earliest opportunity to allow for school to plan the correct level of provision.

**£15 Per Day (£10 Sibling Discount)**

**£60 Full Week**

## Yoga Class For School Community

We are delighted to announce that, starting after half-term, a weekly yoga class will be available for all adults in our community. Every Monday, from 5:30-6:30pm, adults from our school community will be able to join Nicola May Wellbeing for weekly yoga sessions. The class is suitable for all adults, including those new to yoga.

The class is full of functional movement, mindfulness and much needed relaxation. Spaces are limited so booking is essential at a cost of £5 per person. Please bring your own mat and blocks will be provided. To book your space, or for more information, please email Nicola directly at:

## Community Running Club

On **Wednesday 2nd March**, we are launching an adult running club from our school around the local area. The aim of the club is to build fitness, develop friendships amongst parents and build community connections. Eventually, when the evenings become lighter, we hope to engage our children in the running club too.

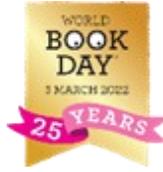

The group is open to all adults of our school community and will be supported by Liverpool Running Bugs and our wonderful friends and colleagues at St Anne's Catholic Primary School. The run will start at 5.30pm and we would encourage everyone to wear bright clothes. We look forward to seeing our school community coming together!

**#TogetherStronger**

## World Book Day - 25 Year Celebration

On **Thursday 3<sup>rd</sup> March**, we invite all children to come to school dressed as their favourite book character and join us in celebrating World Book Day. This year marks a special occasion as we celebrate 25 years of World Book Day. Throughout this day, children will have the opportunity to share their favourite stories and participate in a range of activities based on their favourite books. We cannot wait to see who you dress up as!

### Parent Workshops

Last Tuesday, Malvern's community celebrated Safer Internet Day with a parent assembly covering crucial issues around this year's theme, 'All fun and games'. We raised awareness of potential online risks, discussing some shocking but very real statistics. We ended the session by using our knowledge to share experiences and offer support and advice. Thank you to all of those who engaged and congratulations to our prize winner, Joel from 5IP - we hope you enjoy using your Sphero mini!

Following on from our Safer Internet Day assembly, we were delighted to welcome Reception parents into school this week to take part in a Read, Write Inc workshop. Parents took part in the session alongside their children and even got to meet Fred the frog! Parents learnt about special friends, 'Fred Talk' and blending. We discussed the importance of using pure sounds - not letter names - and using the picture side of the card to help remember the sound. Thank you to everyone who attended the workshops - we hope you found the sessions informative.

Engaging our families in purposeful workshops is integral to the work we do at Malvern. If you would appreciate coaching or support in a specific aspect of school life, please make contact via the school office.

# Star of the Week

## Mrs. Webber's Musicians of the Week...

Ben was fantastic in our music lesson this week! He always tries his best, demonstrates fantastic presentation when writing out his music and did a wonderful performance on the agogo bells!

Keep up the amazing work, Ben!

## Random Acts of KINDNESS

Loren was nominated for the Malvern Kindness Award this week by Mr Wardell. Mr Wardell described how Loren demonstrated the polite and considerate behaviour we strive for while on a recent field trip to Chester Zoo. Noticing a visitor struggling to manoeuvre a pram through a doorway, Loren went out of her way to rush over and open the door.

You are a credit to our school, Loren.

## #MalvernRocks

Last week we rocked - this week we partied!

Well done to all of our pupils who have achieved Rock Star, Rock Legend, Rock Hero and #100 Club Member status this week in school.

We are incredibly proud of you all!
