

Welcome ! Sophie Anderson's visit to school last week was very successful. A small team of our Y6 librarians were on hand to greet Sophie when she arrived - and to help her get organised in the hall.

Y5 & Y6 Book Club: Our Y5 and Y6 book club children have chosen Sophie's new book - 'The Girl Who Speaks Bear' - as their book for the autumn term. After talking to Y4, Y5 and Y6 children, Sophie signed and stamped lots of books.

Outdoor Reading: I've noticed several outdoor reading boxes in use at break times and lunch times. Thank you for your support. If you haven't got up and running with this, (I haven't - yet!) please try to this week. You should have ordered extra books from the Library Service to stock your box.

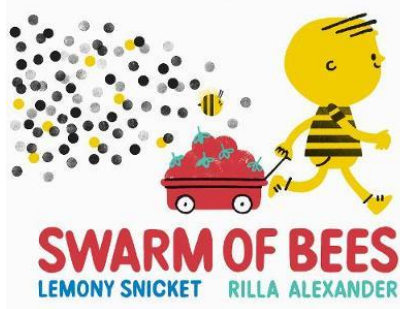

LoveReading
4 KIDS SHARING BOOK LOVE

Website: This is a really good website - an ideal one stop shop for keeping

up to date with all that's new in the world of children's books. Registration is free of charge. Once registered, you can download opening extracts of thousands of books. The site has a Kids' Zone - with competitions, quizzes and other book stuff.

Reader of the Week: Thank you for your continued support with this. My apologies for being a little late distributing stickers and bookmarks on Friday.

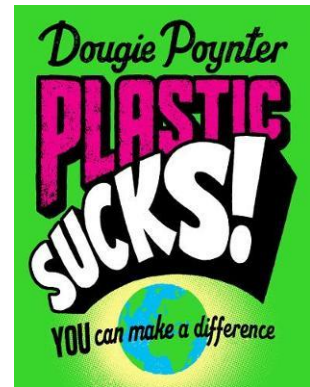

**Reader
of
the
Week**

'Swarm of Bees' by Lemony Snicket: This was a July book of the month on www.lovereading4kids.co.uk and was published on 4/7/19. The book is described as being a: '....witty, hugely entertaining and stylishly illustrated picture book (that) offers an explanation of anger that is absolutely spot on.' A mischievous

boy has unleashed an angry swarm of bees. The result is a zany gallop through a charming town where readers will encounter evidence of some bad behaviour, some frenzied anger and thankfully, a big hug and some spaghetti. For age 3+ and illustrated by Rilla Alexander. I've ordered a copy and am happy to share!

'Plastic Sucks! You Can Make a Difference': This is a September book of the month on the LoveReading4Kids website. It was published on 5/9/19, written by Dougie Poynter (formerly of McFly and Busted) and dedicated to Sir David Attenborough. It is an information book for age 7+ that discusses the problems our planet faces from plastic - and how we can change our behaviour to make a difference.

Reading Stamina: I often refer to this at the start of daily reading time.....

with stamina	without stamina
<ul style="list-style-type: none"> eyes in your book reading in your mind-mouth words lots of books that you've read reading all the words not bothering others try to get through tricky parts 	<ul style="list-style-type: none"> eyes looking everywhere in the room making noises not many books your out of your seat <ul style="list-style-type: none"> bathroom/drink bothering others skip or give up on tricky parts

Please read aloud to the children each day. Happy Reading.....Paul (23/9/19)

(At home I'm reading 'On Green Dolphin Street' by Sebastian Faulks. In class I'm reading 'The Girl Who Speaks Bear' by Sophie Anderson. I'm reading 'The Legend of Podkin One-Ear' by Kieran Larwood to 4PK.)
