Instructions

Questions and Answers

You have until 9am on Friday 15th May to complete this test. Read and answer each question carefully before moving onto the next question. You may complete this test using ICT, handwritten form or any other means you deem appropriate. Grown-ups (who live with you) are welcome to contribute to your response.

In this booklet, there are different types of question for you to answer in different ways. The space for your answer shows you what type of answer is needed.

Short answers

Some questions are followed by a short line or box. This shows that you only need to write a word or a few words in your answer.

Several line answers

Some questions are followed by a few lines. This gives you more space to write a sentence or two.

Longer answers

Some questions are followed by a large empty box. You should provide as much detail as possible in these circumstances. You can write in full sentences if you want to.

Selected answers

For some answers you do not need to write anything at all and you should tick, draw lines to or circle your answer. Read the instructions carefully so that you know how to answer these questions.

Do not feel limited by the space provided. Working outside of the box will be rewarded extra points on this occasion.

Marks

The number under each line at the side of the page tells you the number of marks available for each question.

One additional mark will be awarded if you can make the marker laugh.

One mark will be awarded if you remember something that the test administrators did not.

Notes

You may not know the answer to every question. In such situations, use your deduction skills to make a prediction based on your knowledge and understanding of your time at Malvern. When a question includes a photograph, you should use all of the information you can infer to help you with your answer.

It is hoped that this test paper will bring back some fond memories of your time at Malvern Primary School.

It is **not** compulsory that you complete it.
