

Converting units of time

The table below shows the running times for the films that are being shown at the local cinema.

Complete the missing information.

Film	Time in minutes	Time in hours and minutes
Despicable You	95 min	
Outside In		1 hr 45 min
Wild Wizarding	125 min	
Lebowski's Adventure		1 hr 25 min

Lebowski's Adventure started at 7:30 pm.

When did it finish? _____

Outside In finished at 8:45 pm.

When did it start? _____

In an online competition, children had to complete a series of puzzles in less than 5 minutes. The table below shows how long each child took to complete the game in seconds.

Complete the table by converting the times to minutes and seconds.

Child	Time in seconds	Time in minutes and seconds
Ben	153 seconds	
Ava	275 seconds	
Erin	174 seconds	
Tom	239 seconds	
Sam	216 seconds	

I can convert times between hours, minutes and seconds
