

Malvern Primary School - Reception

Progress Route – Expressive Arts and Design.

Entry

I can use loose parts to create my own play.

I can draw a simple picture of myself.

I can name a range of colours.

I chose to use a particular colour for a purpose.

I can draw a self portrait with some detail.

I can use loose parts to retell a well known story.

I can work scientifically (explore mixing colours).

Autumn 2

I can use loose parts to build small worlds telling my own stories.

I recognise how scissors are used.

I am confident to paint a picture.

I can cut, fold, twist and bend materials.

With support, I can combine adhesives, materials and my joining skills to make models.

I recognise how different brushes produce different size marks.

I know how different adhesives work.

Spring 2

I can use loose parts to create my own stories.

I am growing in confidence when using a pair of scissors.

I can draw pictures with some detail.

I can confidently use a pair of scissors.

I can use loose parts to create my own detailed stories.

Summer 2

I can combine adhesives, materials and my joining skills to make models.

I can draw detailed pictures.

I can use thin brushes to create intricate pictures.

Life in the fast lane...

I can use loose parts to create my own stories clearly articulating the characters, setting, problem and solution. I can explain the process I have used to make my own art work/models.
