

Newsletter

Dear Malvern Families,

Last term, we launched our latest initiative aimed at improving whole school attendance. Throughout **November**, pupils are challenged to maintain an attendance rate of 97% throughout the month. At the end of November, all pupils who maintain the target attendance rate will be entered into a prize draw. Lucky winners will win a golden ticket that will earn them a visit to Gulliver's World on December 15th. The visit will include a variety of festive fairground rides, a journey on the North Pole Express and an opportunity to visit Father Christmas in his grotto. There will even be a chance to choose a special gift in Santa's toyshop. I'm certain that it will prove to be a highly memorable and enjoyable experience for our pupils.

Have a wonderful weekend!

Mr James

Headteacher

Digital World Parent Workshop

Working, communicating and playing online is a part of everyone's life these days. Your children are engaging with so many different types of digital media that it is important that educators and parents try to stay at the forefront of this constantly moving digital world.

On **Wednesday 16th November** at **9.00AM**, we will be hosting a Digital World workshop where we can share information and advise on how to support your children in making the best choices online. This will take place in the school hall, which can be accessed on the day via the school's main entrance.

For those parents that are unable to attend, we will also host an Zoom meeting the same evening at **5.00PM** with all the same content discussed.

Early-Bird Reverse Advent Calendar

Throughout November, our Junior Leadership Team invite you to join us in collecting donations for our local food banks. During the month, families are invited to add one item to a carrier bag or basket each day. These donations can then be brought into school on Friday 2nd December or Saturday 3rd December during our Santa Spectacular event. Pupils will then present items to local charities in preparation for Christmas.

Ideas for what to include:

- Tinned meat
- Tinned potatoes
- Tinned vegetables
- Tinned fruit
- Tinned fish
- Tea
- Coffee
- Personal Hygiene products

Spotlight On: Community Action

Next Energy Partnership

We are incredibly grateful for the support of local business - Next Energy - for the significant and continued support they offer our school and wider community. Lee (a former Malvern pupil) and the team actively seek opportunities to give back to our local area and it is wonderful to be able to count on their support. Next Energy are proud sponsors of our community events, including Malfest and Santa's Spectacular. In addition, Next Energy provide a fund to promote cultural capital and support our school in enriching the wider opportunities provided to Malvern families. Thank you, Next Energy! We are hugely appreciative for your commitment to our community and your determination to make a difference.

As we say at Malvern, we truly are [#TogetherStronger](#).

Volunteer Day @ Alder Hey

During half term, pupils in Key Stage 2 volunteered their time at Alder Hey Children's Hospital. During their time there, pupils welcomed visitors, spent time talking with patients and undertook surveys on behalf of the hospital. We are very proud to say that they belong to Malvern.

Making a Difference

Halle was nominated for the Malvern Kindness Award this week for her determination to support the Little Princess Trust. The Little Princess Trust provide thousands of real hair wigs to sick children and young people, aged up to 24 years across the UK and Ireland. Bravely, Halle had her long hair cut short and donated it to the Trust. Amazingly, Halle has also raised over £200 in sponsorship.

#In2Win

Attendee of the Week

Despite having to take medicine every day at school, Sophia attended school all week. We are so proud of the effort she is making and it has been such a pleasure to see her at school every day.

Well done, Sophia, keep up all the hard work!
