

Newsletter

Dear Malvern Families,

It has been wonderful to welcome our families back into school this week. I hope that all members of our community managed to find some time to relax and unwind during the Easter break. This term, we have so much to feel excited about. Most notably, we will be hosting our third annual Malfest Celebration. This will take place on **Saturday 8th July** and we anticipate that this year the event will be bigger and better again. If you haven't already, book this date into your diary and watch this space for further details.

Mr James

Headteacher

Football Success

We are thrilled to announce that our Key Stage 2 football team has been crowned Huyton champions for the second year in a row! The team's unbeaten record throughout the season and their top finish in the Central Area League are testament to their hard work and dedication.

The team will now represent our school in the upcoming Knowsley Final in May, where they will compete against other league winners from across the borough. In addition to their upcoming Knowsley Final, they also have a Merseyside Cup last 16 fixture against St Michaels from Widnes on Monday evening at school. Kick-off is at 3:40 pm, and we would love to see as many members of our school community there as possible to cheer on the team!

We are incredibly proud of our football team and their outstanding performance this season. We would like to extend our thanks to the coaches, parents, and supporters who have helped make this achievement possible. Well done to our champions, and best of luck in the upcoming competitions!

Community Library

Our school library is open from 8.00am each morning. Accompanied by an adult, children are welcome to come and have a before-school read and browse the shelves. Children (and adults) may borrow books during this time and tea, coffee and hot chocolate are available for adults. Why not join us for a morning read?

Community Sport Hub

At Malvern, we consistently strive to promote a wide range of opportunities to enhance the health and well-being of the children in our community. Therefore, we are delighted to announce that starting next Saturday, we will be hosting community football sessions for both boys and girls. The sessions are open to all children and will be held every Saturday from 9.00am to 11.00am.

The training sessions will be run by experienced football coaches from South Liverpool CC who are dedicated to providing a safe and fun environment for children to learn and play the beautiful game. Children of all skill levels are welcome to join and the coaches will work with each child to help them develop their skills, build confidence and learn the value of teamwork.

We encourage all parents to consider signing their children up and giving them the chance to experience the joy of playing football. For more information and to register for the sessions, please use the information on the leaflets below or contact Bradley at **07921663447** to secure your place. Let's get the ball rolling and create a fun and engaging football community for our children!

Are you Ready to Read?

Our sponsored reading event was a great success with school raising just short of £1000! Thank you for all your support and encouragement. The money will be used to further develop our library facilities.

SHOW YOU CARE, PARK ELSEWHERE!

Put child safety before your convenience.

Celebrating Outstanding Attendance

What a fantastic start to our summer term! On Tuesday morning, we celebrated pupils with 97% attendance in a fantastic In2Win spin the wheel prize bonanza assembly. Lucky winners were able to come up on stage and choose from a range of prizes. These included days out at theme parks, cinema trips and even a tour of Knowsley Safari Park. From scooters to football memorabilia, board games to sports equipment, there was a prize for everybody. We even had a Nintendo Switch up for grabs. I'm certain you can see from the photographs that our lucky winners were very happy indeed!

We are already collecting ideas for our next #In2Win Big Wheel Spin celebration. Our Junior Leadership will be undertaking consultation over the next couple of weeks. Watch this space for updates on confirmed prizes. Most importantly, remember this term you will need 98% attendance in order to earn a space on the Wheel of Prizes.
