

Newsletter

Dear Malvern Families,

I am delighted to introduce you to the latest member of our Malvern family - Ralph Green. Ralph was born on Saturday 21st of May weighing 7lb and 6oz. I am certain you will join me in wishing Mrs. Green and her wonderful family every happiness for the future.

Have a fantastic weekend!

Mr. James

Headteacher

Ice Cream Treat

The recent warm weather was the perfect excuse for children across school to enjoy some delicious ice cream. Smiling faces and ice cream smiles were a common sight as children and staff enjoyed their frozen treats. A huge thank you to Dave's Ices for providing the ice cream.

Class Photographs

On Wednesday 21st June, Braiswick Photography will be in school to take whole class photographs. These will be shared with parents and be available to purchase using the payment envelopes provided.

Malfest 2023

Malfest 2023 will take place on Saturday 8th July and will hopefully provide another truly memorable day for the whole Malvern community. Tickets are now available to buy and you can purchase these via the online platform **Eventbrite** by clicking the link below or scanning the QR code. We pride ourselves on our event being a celebration of our wonderful community so please feel free to share the link with friends and family.

We look forward to seeing as many of you as possible at the event.

Walk with Wildlife

Next week is an opportunity for us all to Walk with Wildlife. To continue the great effort with walking to school, we are setting a Walk with Wildlife, walk to school challenge next week. From Monday 19th June - Friday 23rd June we are hoping that children and families can make the best of the good weather by trying to walk to and/or from school as many times as possible in that week. We have made a brilliant start to our walking initiative in April and May, but we are looking to get even more people involved in the month of June.

For those of you that have to drive to school, you can still take part. If you are able to park up and walk for 10 minutes to school (park and stride) then this will add to your child's score, earning them rewards. The blue circle on the map shows roughly where you can walk from that equates to a 10-minute walk.

It would be amazing to hear about your great work and so if you would like to share your summer walks to school with us via the school's Twitter or Instagram, that would be fantastic. We look forward to seeing your great work.

Polite Reminder

Our school has recently joined the Modeshift STARS National Accreditation Scheme and Knowsley Council Stars Scheme. The schemes help us to look at ways to improve walking and cycling to school and consider the positive effects it has on the physical and mental health of our students.

As part of the scheme, we have been offered the opportunity for pupils in Year 5 and Year 6 to benefit from a Bike MOT Session which will take place at school on Wednesday 21st June at 10.00am.

Students can bring their bikes into school on the day and they will be checked by a specialist bike mechanic.

Minor repairs will be carried out and if any safety issues are identified which require more extensive work – an advisory note will be provided for your information and action.

Participants will receive a cycling related item from the team at Knowsley Council to support their cycling journeys.

Much Ado About Nothing

Drama & Theatre Club visited Shakespeare North Playhouse again this week to see The HandleBards' hilarious version of 'Much Ado About Nothing'. With music, mayhem and a whole lot of cycling, this performance had us laughing out loud, gasping in surprise and cheering our hearts out!

It was also lovely to be joined by colleagues from Hope University, one of whom got called onto stage and featured in the play.

Big thank you to the cast, who came out to meet our pupils after the show, and even let us come onto the stage!

Community Spirit Festival

The Community Spirit Festival, held on Tuesday 13th June, in memory of Olivia Pratt Korbel, was a heart-warming and memorable evening that truly united our community in celebrating Olivia's life. It was wonderful to see so many families in attendance, supporting and honouring Olivia's legacy. Your presence contributed to the positive and inclusive atmosphere that made the evening so special.
