Dear Malvern Families,

I am delighted to share with you the success of our second year of Vibe awards. A number of ceremonies were hosted in school over the past two weeks. Once again, lots of our families came together to celebrate the fantastic achievements of our wonderful children.

For the past three years, Malvern- in collaboration with Vibe Outdoors UK- have worked together to craft a progressive curriculum aimed at nurturing our students' outdoor skills and pushing their personal boundaries. This curriculum offers Malvern pupils the opportunity to develop resilience, grit and determination while mastering outdoor pursuits. By incrementally building on these skills year by year, we are confident that our students have the best possible chance to meet the requirements of the Earl of Derby Award.

During the award ceremony, each student received a certificate and badge in recognition of their achievements at Vibe. Additionally, we had the pleasure of presenting several special awards to celebrate students who exemplify the values and attributes we hold dear at Malvern.

This year, the event was once again supported by fantastic school colleagues and we were delighted to welcome distinguished guests to help present the awards. Our heartfelt gratitude goes out to Matt Wilson, Governor at Malvern; Graham Morgan, Leader of Knowsley Council and Governor at Malvern; Colin Dever, Swanside Councillor; Anthony Daly, a former pupil and now Operations Manager at Next Energy and Mark Bingley, another esteemed former pupil who is now the Principal Regeneration Officer at Knowsley Council. Your presence added immense value to the occasion and certainly inspired our students.

We extend our heartfelt thanks to Mr. and Mrs. Taylor, whose dedication ensured that the setting was befitting of such a special occasion and a special thank you also goes to Miss Byrne, our Lord Derby Award Champion, for her outstanding efforts in preparing and organizing the event.

Looking ahead, we are excited about the prospect of even more Malvern students celebrating their achievements in the upcoming academic year. Our partnership with Vibe will continue to inspire and motivate our pupils to reach new heights, and we can't wait to witness their future successes.

Kind regards,
Mr James
Headteacher

SEND Coffee Morning

On Thursday 12th October, we are hosting a coffee morning for parents. The event will take place in the school hall and will be an opportunity for you to meet our new SENCO, Miss Murphy.

As a school we are always looking to improve our offer and will be asking parents to share their views on how you would like SEND at Malvern to look in the future. There will be an interactive aspect to the session so please bring along a phone or device that you can access the internet on. We look forward to seeing you.

Parking

We fully appreciate that parking around school can be very difficult at times. However, if you need to drive to school, please be considerate of local residents and their driveway access. We have a walk to school challenge and would love to see even more families walking to school.

World Mental Health Day 2023

On Friday, 13th October, we are inviting all Malvern children to wear something yellow to school to raise awareness for World Mental Health Day 2023.

We are proud to participate in the [#HelloYellow](#) campaign to support the YoungMinds Charity in their mission to raise awareness for young people's mental health. By wearing yellow on this special day, we will be sending a powerful message that we stand with young people and believe that they deserve the mental health support they need, when they need it, no matter what.

The theme for this year's [#HelloYellow](#) campaign is to 'stand out and show up for young people's mental health.' Therefore, we are inviting all of our children to dig out their neon socks, custard scarves, banana hats, lemon bobbles or any item of yellow clothing or accessories they have. This simple gesture can make a big difference in spreading awareness and supporting the well-being of our young people.

We look forward to seeing the school community to embrace the colour yellow on Friday, 13th October and make a positive impact on young people's mental health. Together, we can stand out and show up for a brighter, healthier future.

Attendee of the Week

We were very pleased to award Lewis for the brilliant effort he has shown coming in to school. Lewis has had a brilliant attitude towards starting his Year 3 journey and we are really proud of how hard he is working every day at Malvern. This is a great example to others and we are very proud of Lewis. Well done!
