Biometric Data Statement

Review Date: September 2026

Statement about the processing of biometric data

This statement confirms that, at Malvern Primary School, we do not store or process any form of biometric data, such as fingerprints or retina scans.

The Governing Board and Data Protection Officer (DPO) will review this statement on a regular basis. The next scheduled review date for this statement is September 2026.

If the school does decide to store or process biometric data, a policy will be implemented for the processing of such data, which would be made available on the school website. Any changes made to the school's position on the processing of biometric data will be clearly communicated to all staff, parents and pupils.

If you have any questions about this statement, please contact the School Business Manager via the school office.
