

Can I explore and observe our outdoor environment during the seasons: Winter/Spring/Summer/Autumn?

Seasons

Big Question
Why does the weather change?

Can I talk about the differences and similarities between the seasons?

Can I talk about spring?
What is the climate like during this season? How long are the days (hours of daylight)?

Can I talk about summer?
What is the climate like during this season? How long are the days (hours of daylight)?

Can I talk about autumn?
What is the climate like during this season? How long are the days (hours of daylight)?

Can I talk about winter?
What is the climate like during this season? How long are the days (hours of daylight)?

Can I talk about the cycle of seasonal change and correctly sequence the seasons?

Assessment Task

We will collate photographs of our school environment throughout the seasons
