

Mythical Creatures

Joining techniques

<p>What is pointillism?</p>	<p>Pointillism is a painting technique which involves using small, painted dots to create areas of colour that together form a pattern or picture.</p>
<p>What are mythical creatures?</p>	<p>Mythical creatures are supernatural animals/beings that don't exist in real life.</p>
<p>What joining techniques can I use when creating my mask?</p>	<p>Some examples of joining techniques which can be used are gluing, taping, layering or stapling.</p>
<p>What is texture?</p>	<p>Tactile texture means how something feels to the touch. Visual texture refers to the visual impression that textures produce to the observer.</p>
