# Tag Rugby

Can I move with the ball, passing and receiving in order to keep possession?

Can I develop passing and moving forwards to score a try?

Can I combine passing and moving to create attacking opportunities to score a try? Can I understand where and why I need to create space when I am attacking?

Can I understand the purpose of tagging, when, where and why this is applied during a game?

Can I look at how attackers can create space, creating opportunities for the ball carrier to pass if they are tagged?

Can I combine my skills and understanding of tag rugby to participate in a 3v3 game?
