Can I develop an understanding of basic defending tactics and formations, which can be applied to prevent the attackers from scoring?

Why is it important to work as a team when tagging and why it is important to reduce the space and apply pressure to the attackers to prevent scoring opportunities?

Can I explore how to use a miss pass and how this can be used to outwit defenders to score a try?

Can I explore how to use a loop pass and how this can be used to outwit defenders to score a try?

Implementing strategies developed and showing my understanding of the rules of tag rugby, can I participate in a 5 vs 5 mini game?
