

Attack vs Defence

PE
Year 1

What does attacking mean? We do we attack during a game?

How can a defender make it hard for the attackers to win the game? Can I apply simple defending principles to a game situation?

How, where and why should I attack in a game? What strategies may help us increase our score?

Why do we need to stay in a space when running and attacking? Can I apply simple attacking principles to a game situation?

What is defending and why do we defend during a game? Why do we need to stop attackers from scoring?

How, where and why should I defend in a game? How can defending make it harder for attackers?

Celebration/Evaluation

.Take part in a 'Protect the Treasure' defending competition
