

**PE**  
Year 3: Hockey

**Hockey**

How can I dribble to keep control and possession of the ball and to beat an opponent?

How and why do we transition between attack and defence? Why is dribbling, receiving and passing the ball accurately important?

Where and why do we shoot from in hockey to increase my chance of scoring?

Can I pass and receive the ball with control to keep possession? What is the consequence of an inaccurate pass?

How can we combine dribbling and passing to create space whilst keeping possession?

How can we win a game of hockey? Why do we need to work as a team?

**Celebration/Evaluation**  
To compete in a level 1 tournament, applying the skills learnt and developed.

**Key Vocabulary**  
Attack, defend, possession, space, intercepting, shooting, barrier, possession, accuracy, control

**What to revisit?**  
Year 1–2 Team work, communication, accuracy  
Year 2- Ball control and how we can dribble a ball in different ways

PE

Year 4: Hockey

Hockey

Can I refine my dribbling technique to keep possession of the ball? How can we keep control when changing direction?

When and where should I use short and long passes? How can I apply passing and moving skills to keep possession?

How are passing and dribbling combined to create an attack, resulting in a shooting opportunity?

How can we create suitable shooting opportunities applying our prior knowledge of passing, dribbling and creating space?

What is the difference between intercepting, blocking and tackling? When, where and why are these used in a game?

Why do certain teams win and others may not? What were teams doing that allowed them to be successful?

### Celebration/Evaluation

To compete in a 3v3 tournament, applying the skills learnt and developed.

### Key Vocabulary

Attacker, defender, dribbling, marking, tackling, blocking, free hit, intercept, shoot, possession, accuracy, control

### What to revisit?

Year 3—holding the hockey stick, dribbling techniques, communication and passing, rules of hockey and winning a game

**PE**

Year 5: Hockey

**Hockey**

Can I combine my dribbling and passing skills to create an attack with shooting opportunity?

When, where and why are attacking skills applied during a game? Can I create a successful attack, leading to a shooting opportunity?

What happens once possession is regained?  
Can I apply defending techniques in a game to prevent attacking?

How are defending techniques (marking, blocking and tackling) applied to prevent attacking opportunities?

How can I refine my shooting technique when pressure is applied? How can we prevent losing possession?

What rules should the referee apply during games of hockey? Can our understanding be applied to a mini game?

### Celebration/Evaluation

To officiate each others hockey matches, applying understanding of game rules

### Key Vocabulary

Tactics, marking, attack, counter attack, man-to-man marking , goal side, referee, regain

### What to revisit?

Year 3 and 4—Attacking and defending techniques, dribbling, shooting, team work, communication, rules of cricket and winning

PE

Year 6: Hockey

Hockey

Can I consolidate ability to use passing, dribbling and moving skills to keep possession and score?

What tactics are needed when attacking? Do our attacking tactics change depending on our opponent's tactics? Can I apply them into a game?

What tactics are needed when defending? Do our defending tactics change depending on our opponent's tactics? Can I apply them into a game to prevent attacking?

Can I apply prior learning of passing, dribbling and moving, to keep possession and create an attack that results in a successful shot?

What happens when I lose possession of the ball? How is defending used during a game to prevent attacking?

Can I successfully compete in a hockey tournament, applying techniques and showing an aware of rules?

### Celebration/Evaluation

.To participate in a hockey tournament, demonstrating a clear understanding of the rules of the game, attacking and defending with precision.

### Key Vocabulary

Tactics, attack, defending, counter attack, free hit, accuracy, control, possession, technique

### What to revisit?

Year 3-5—attacking and defending techniques, shooting, dribbling, passing, rules of the game, ball control and keeping possession
